Medra walked there too, but not so far as she, for he was lame..Under Roke's steadily growing influence, wizardry was shaped into a coherent body of knowledge, its use increasingly controlled by moral and political purpose. Wizards trained at the school went to other islands of the Archipelago to work against warlords, pirates, and feuding nobles, preventing raids and forays, imposing penalties and settlements, enforcing

boundaries, and protecting individuals, farms, towns, cities, and shipping, until social order was re-established. In the early years they were sent to enforce peace; increasingly they were called on to maintain it. While the throne in Havnor remained empty, for over two hundred years Roke School served effectively as the central government of the Archipelago..information, communication, protection, and teaching..over all Havnor now for years..He sat down on his narrow bunk and looked at her sitting on her narrow bunk; they could not face each other directly, as there was no room for their knees. At O Port she had bought herself a decent shirt and breeches, at his suggestion, so as to look a more probable candidate for the School. Her face was windburned and scrubbed clean. Her hair was braided and the braid clubbed, like Ivory's. She had got her hands clean, too, and they lay flat on her thighs, long strong hands, like a man's..counsel the king and take counsel together, using their arts to pursue goals they agreed were.as it was under the Kings..their camping place he saw the four stars of the Forge come out above the western hills..Archipelagan scholars are aware of it, but most Kargs would deny it, since they have confused.He said nothing. You have to say a certain word, a password, before he'll let you in. If you don't know it, you can never go in. But if he lets you in, then from inside you see that the door is entirely different - it's made out of horn, with a tree carved on it, and the frame is made out of a tooth, one tooth of a dragon that lived long, long before Erreth-Akbe, before Morred, before there were people in Earthsea. There were only dragons, to begin with. They found the tooth on Mount Onn, in Havnor, at the centre of the world. And the leaves of the tree are carved so thin that the light shines through them, but the door's so strong that if the Doorkeeper shuts it no spell could ever open it. And then the Doorkeeper takes you down a hall and another hall, till you're lost and bewildered, and then suddenly you come out under the sky.
