"Well, this boy did learn at last to tame his anger and control his power. And a very great power it was. Whatever art he studied came easy to him, too easy, so that he despised illusion, and weatherworking, and even healing, because they held no fear, no challenge to him. He saw no virtue in himself for his mastery of them. So, after the Archmage Nemmerle had given him his name, the boy set his will on the great and dangerous art of summoning. And he studied with the Master of that art for a long time..Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizards power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm..his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and." "You must find the Red Mother," he said, the day after that. They were sitting side by side again outside the barracks. The autumn sun was warm. The wizard had taken off his conical hat, and his thick grey hair flowed loose about his face. "I know you found that little patch for them to dig, but there's no more in that than a few drops. It's scarcely worth burning for so little. If you are to help me, and if I am to teach you, you must try a little harder. I think you know how." He smiled at Otter. "Don't you?". Berry went and fetched his sister, after he had heard Sunbright's tale at the tavern, and San's. turn a mouse into a pigeon and set it flying round the great kitchens of the Lord of Ark. And if. Neither spoke for a while. She could just make out the bulk of him in the leafy shadows. "You're bigger than you were," she said. "Can you still make a light, Di? I want to see you." refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the place, she could. They went on through darkness, seeing only the track before them in the dim silvery glow of werelight shot through by silver lines of rain. When she stumbled he caught her arm. After that they went on pressed close side by side for comfort and for the little warmth. They walked slower, and yet slower, but they walked on. There was no sound but the sound of the rain falling from the black sky, and the little kissing squelch of their sodden feet in the mud and wet grass of the track.. In a busy street leading down to the busy wharfs of Gont Port, the wizard Ogion stopped short. The ship's captain beside him walked on several steps and turned to see Ogion talking to the

And there.She sat on a while by the Thwilburn. She was troubled by what he had told her and by her thoughts and feelings in the Grove, and troubled that any thought or feeling could have troubled her there. She went to the house, set out her supper of smoked meat and bread and summer lettuce, and ate it without tasting it. She roamed restlessly back down he streambank to the water. It was very still and warm in the late dusk, only the largest stars burning through a milky overcast. She slipped off her sandals and put her feet in the water. It was cool, but veins of sunwarmth ran through it. She slid out of her clothes, the man's breeches and shirt that were all she had, and slipped naked into the water, feeling the push and stir of the current all along her body. She had never swum in the streams at Iria, and she had hated the sea, heaving grey and cold, but this quick water pleased her, tonight. She drifted and floated, her hands slipping over silken underwater rocks and her own silken flanks, her legs sliding through waterweeds. All trouble and restlessness washed away from her in the running of the water, and she floated in delight in the caress of the stream, gazing up at the white, soft fire of the stars..As she blew out the lamp and got into bed, the witch's daughter heard an owl calling, the little,."Your fear. "Well," Rose said, and dumped out the salt water on the bare dirt of the small front yard of her house, which, like most witches' houses, stood somewhat apart from the village. "Well," she said, straightening up and looking about vaguely as if for an answer, or a ewe, or a towel. "You have to know something about the power, see," she said at last, and looked at Dragonfly with one eye. Her other eye looked a little off to the side. Sometimes Dragonfly thought the cast was in Rose's left eye, sometimes it seemed to be in her right, but always one eye looked straight and the other watched something just out of sight, around the corner, elsewhere..The Hardic language of the Archipelago, the Osskili tongue of Osskil, and the Kargish tongue, are all remote descendants of the Old Speech.
