The wizard Hemlock, who had known his great-uncle the Mage, came up from South Port to name him. And Hemlock was invited to his nameday party the year after, a big party, beer and food for all, and new clothes, a shirt or skirt or shift for every child, which was an old custom in the West of Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all the boys his age in town and all the girls too. The young people danced, and some of them had a bit too much beer, but nobody misbehaved very badly, and it was a merry and memorable night. The next morning Golden told his son again that he must think about being a man. "That's Roke Knoll, lad," the weatherworker said to Dragonfly, who stood beside him at the rail. "Would you like some fresh curds? It makes a good breakfast." She was eyeing him, but not for long, and not meeting his eyes. Like an animal, like a cat, she was, sizing him up but not challenging. There was a cat, a big grey, sitting on his four paws on the hearth gazing at the coals. Irioth accepted the bowl and spoon she handed him and sat down on the settle. The cat jumped up beside him and purred. He finished his soup, and she took the bowl. She sat down in her place, the stool by the oil lamp. there was a light that was not werelight. He went forward. Diamond had no idea what to say. The idea of its being up to him had not occurred to him. "Do you." "Do you hear the words?". A few times, sitting on the waterstairs, the dirty harbor water sloshing at the next step down, the yells of gulls and dockworkers wreathing the air with a thin, ungainly music, he shut his eyes and saw his love so clear, so close, that he reached out his hand to touch her. If he reached out his hand in his mind only, as when he played the mental harp, then indeed he touched her. He felt her hand in his, and her cheek, warm-cool, silken-gritty, lay against his mouth. In his mind he spoke to her, and in his mind she answered, her voice, her husky voice saying his name, "Diamond ....". "Why do you say nothing?" I asked. I had to clear my throat. or the Wandlord, had paid court to Elfarran. Unforgiving and determined to possess her, in the few. When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage. There must have been something in my voice that made her control herself. Her face. face bowed down, and she thought how slight and light he looked, how quiet and sorrowful.
